Reports will also be received from the Police, District and County Councillors if attending – Once open forum is closed the Chairman will only suspend standing orders to allow public participation in extreme circumstances.)

No public present – Nothing to discuss.

21. **APOLOGIES** - Were received from Councillor Clinch (holiday).
22. **DECLARATIONS OF INTEREST** – Members were asked to consider any personal/prejudicial interest they may have to disclose in relation to matters under discussion at the Meeting - No declarations were made at this point in the Meeting however, should a Councillor feel he/she has any interest in later matters he/she will declare it at that point.
23. **MINUTES** – The Minutes of the Annual Meeting of the Parish Council held on Monday 15 May 2017 had been circulated in advance of the Meeting, were accepted as a correct record, and signed by the Chairman.
24. **UPDATE/PROGRESS WITH ISSUES RAISED AT THE PREVIOUS MEETING**
Stones Tunley Lane – It was reported that the stones have been removed.
Car park Chisnall Avenue – The Council will request signs from West Lancs. BC stating that parking is for residents of the sheltered accommodation on Chisnall Avenue only.
Parking Appley Bridge Village Hall – cars left on the car park are increasing again. Notices will be placed under car windscreens and parking will be monitored. If necessary the bollards will be raised and lowered at random, and without notice, to deter motorists from parking.
Minute 12 – the broken tree is still balancing on the fence between Chisnall Avenue and the car park at Tunley URC. Councillor Johnson was assured that this matter would be dealt with.
BP Garage – it was confirmed that the road at the rear is still damp and the area smells. It was confirmed that water can be seen coming up from the manhole cover and that it must therefore be seeping under the wall onto the old road. Now the site is being extended, the Council will monitor this problem closely and continue to report it on a regular basis to West Lancs. BC, as necessary. The Council believe there should be some sort of indication that the holding tank needs emptying.
Report 1 – e) & f) – the Council will point out that these road closures coincide with the proposed road closures for the Ironman event.
