

WRIGHTINGTON PARISH COUNCIL

At the Annual Meeting of the Council of the Parish of Wrightington held on Monday 22nd May 2023 at Mossy Lea Village Hall at 7.30pm the following were present:

Councillors: Mrs J Burton (Chairman), Mr F Johnson, Mr A J Shaw, Mr F Hodgkinson, and Mr C House. Also present Borough Councillor Bailey and members of the public.

OPEN FORUM

(At this point in the Meeting members of the public present can report, ask questions, raise issues and make observations on parish matters or items appearing on the Agenda. Reports will also be received from the Police, Borough and County Councillors if attending – Once open forum is closed the Chairman will only suspend standing orders to allow public participation in extreme circumstances.)

The Chairman welcomed those present to the May Meeting and asked that we all treat each other with respect and respect everyone's points of view. The Chairman reminded those present that Open Forum was for the residents and no discussion with Councillors will take place. A resident reported his request at the March Meeting, which was actioned by the Parish Council, to ask the owner of East Quarry when dewatering by 70%, in line with the licence granted, would be undertaken. A response was received providing other information but not answering this question. A further request for this information was sent by the Parish Council following the April Meeting with no response received to date. The resident went on to report a Meeting he attended with 2 Borough Council officers, on site at East Quarry, in May, reporting that fencing was shoddy and ill repaired and signage poor. The resident asked the officers to pursue this matter as the Parish Council appear to be being ignored. Residents do not understand how the owner has safety at heart but has not yet removed 70% of the water, or installed a discharge pipe. The Parish Council were asked to contact the 2 officers mentioned to ask for their assistance. Another resident read aloud a statement he had prepared stating that a great deal of correspondence is exchanged on Quarry issues and suggested finding a way it could be available to residents. From the document online supporting the agenda, residents cannot tell who the correspondence is from, and to what it refers. It was suggested that correspondence could be made available on the website, or to a single resident who could distribute it, so that complex topics can be reviewed by experts. Another resident referred to the Newsletter item on the Agenda asking the Council to consider the following: the cost and value of it, time spent compiling it, cost of publishing and delivering it. Does the Council have statistical evidence that it is cost effective and value for money? Is its production antiquated and ineffective? Why are the Council producing and distributing information which is largely available on the Parish Council website? Other residents present reported that parked vehicles on Mossy Lea Road remains an issue in the vicinity of the White Lion public house. Residents cannot exit their driveways, and the problems have been on-going for 18 months now. Parked cars obstructing footways make it difficult for pedestrians and disabled people to use them. Questions in relation to the day and time LCC attended to assess the problems could not be answered by the Parish Council. The residents stated that they have no objections to the White Lion, but that the planning authority has not kept up with developments on the site since the temporary permissions allowed during Covid. The landlady of the White Lion reported that there are now less covers in the pub than there were in 2017. It was reported that there were 59 cars on the road last weekend and the car park was full. It was suggested that patrons are now not using the car park but are parking on the road. A further request for double yellow lines was made. The Chairman and Clerk confirmed that planning issues are the responsibility of West Lancashire Borough Council whilst highways issues are Lancashire County Council's responsibility. Discussions became heated and it was pointed out that the Parish Council do not have any powers or authority, legal or otherwise, to handle highways or planning issues and, that they have no enforcement powers in regard to either of these functions. It was also reported that Parish Councillors are unpaid volunteers who try to assist residents if they are able to. It was confirmed that any parking related photographs sent to Borough Councillors have not been forwarded to the Parish Council however, even if they had been the Parish Council could only have forwarded them to the Police or LCC. Borough Councillors are paid representatives of the Borough Council and residents should be referring these issues, along with any criticism for in-action on these issues, to the Borough and County Councillors.

The Chairman closed Open Forum at 8.05pm.

1. **APOLOGIES** - Were received and accepted from Councillor Mrs Jukes (who was taken ill immediately prior to the start of the Meeting but, who signed her Declaration of Acceptance of Office before leaving).

2. **APPOINTMENT OF CHAIRMAN and DECLARATION OF ACCEPTANCE OF OFFICE**

The following Proposal was made:

Councillor Mrs J Burton

Proposed by Councillor Mr A Shaw

Seconded by Councillor Mr F Hodgkinson

The Council voted and it was **RESOLVED**: That Councillor Mrs Burton is elected for a Term of Office terminating on the day of the Annual Meeting of the Parish Council in 2024. (Councillor Mrs Burton signed her declaration of acceptance of office.)

3. **APPOINTMENT OF VICE-CHAIRMAN and DECLARATION OF ACCEPTANCE OF OFFICE**

Councillor House reported that he did not wish to be nominated for a further term of office as Vice-Chairman as he did not want to carry on in the role. He expressed his disappointment at the ongoing and continuous criticism levelled towards Parish Councillors and the Parish Council. He confirmed that he is a constant presence in the village, checking the defibrillators, even running a marathon to raise funds towards the purchase of one of them, but remains disappointed at what he has had to face during his term of office. The role of Parish Councillor is a difficult one, which is undertaken voluntarily by all Parish Councillors. He confirmed that there is never any criticism or comments made about any Borough Councillors by those attending Parish Council Meetings.

The following Proposal was made:

Councillor Mr A J Shaw

Proposed by Councillor Mr C House

Seconded by Councillor Mr F Johnson

The Council voted and it was **RESOLVED**: That Councillor Mr Shaw is elected for a Term of Office terminating on the day of the Annual Meeting of the Parish Council in 2024. (Councillor Mr Shaw signed his declaration of acceptance of office.)

At this point, and after a difficult verbal exchange, Councillor House confirmed that he was leaving the Meeting. Councillor Shaw asked the Chairman if he could speak before Councillor House left. The Chairman agreed. Councillor Shaw thanked Councillor House for everything that he had done, and achieved, during his term of office and confirmed that all Councillors present appreciated everything he has done and that he has done a great job. Councillor House left the Meeting.

4. **DECLARATIONS OF INTEREST** – Members were asked to consider any personal/prejudicial interest they may have to disclose in relation to matters under discussion at the Meeting – **No declarations were made at this point in the Meeting however, should a Councillor feel he/she has any interest in later matters he/she will declare it at that point.**

5. **ADOPTION OF STANDING ORDERS, FINANCE PAPER AND COUNCILLORS CODE OF CONDUCT TOGETHER WITH VILLAGE HALL CONSTITUTIONS, COMPLAINTS PROCEDURE, PUBLICATION SCHEME, RISK MANAGEMENT PLAN, RISK MANAGEMENT REGISTER, ASSET REGISTER, TRAINING POLICY, ANNUAL AUDIT PLAN AND DATA PROTECTION POLICY - Resolved**: These documents be adopted for the ensuing year including the Revised Code of Conduct as applicable to Parish Councils which took effect from May 2022. Councillors must ensure Village Hall Constitutions are referred to during meetings and terms and conditions applied. It was confirmed that documents will be reviewed over the year and amended or updated as appropriate including updating Standing Orders if required.

9. **MINUTES** – The Minutes of the Parish Council Meeting held on Monday 17th April 2023 had been circulated in advance of the Meeting, were accepted as a correct record, and signed by the Chairman.

10. CORRESPONDENCE/INFORMATION ITEMS

Items reported to, and noted by, the Council – no decision required: REPORT 1 – page 6-7 – ACCEPTED.

Item c) – The Clerk explained that “Notification application disposed/closed for outline permission for demolition of pub and erection of 9 dwellings, Corner House, Wood Lane” meant that the time limit during which the Borough Council should have made a decision has lapsed, together with the time limit the applicant has to appeal against the non-determination of the application by the Borough Council. As a result, the application is disposed/closed and any future proposals will require a new planning application.

Items requiring discussion, observations or action by the Council:

- a) Response from LCC highways dept. to report of parking problems, Mossy Lea Road – response contained in the supplementary information to the agenda – **It was confirmed that the Parish Council requested a zebra crossing near Mossy Lea School in the past, without success. Concern was expressed about disabled people being unable to use the footways on Mossy Lea Road due to parked vehicles. Councillor Johnson stated that information reported to the Parish Council at the Meeting 2 months ago in relation to noise, nuisance, food smells, cluster flies, use of the bottle bank, a faulty extractor fan, and the fact that the farmer had offered the landlord land to extend the car park, was taken as fact. Having now made further enquiries he reported that this is not in fact the case. The farmer has not offered land to extend the car park. Some of the parking problems on the road are school related in term time with approximately 7 parked vehicles, probably associated with the school, being**

parked on the road all day. Many neighbours do not have any issues. Some residents are parking their own cars on the road even if they have driveways. It was confirmed that the bus service finds it difficult to stop at the bus stop and, farmers whose farms a little further down Mossy Lea Road from the White Lion, whose access is already narrow often cannot get through the parked vehicles and then find it difficult to access the farm access due to the parked cars. Councillor Johnson feels that members of the public and the Parish Council were misled by what was reported at the Meeting and an apology should be given for this. Members of the public interrupted the Meeting and the Chairman stopped this. The general feeling is, the only solution is double yellow lines on one side of the road, however, enforcement is still likely to be an issue. It was confirmed that the landlady of the White Lion has no objections to parking restrictions being put in place. The Chairman reported that she too had been monitoring parking and believes that many of the parked cars are associated with the school. Following a further interruption by a member of the public the Chairman requested that they leave the Meeting. It was confirmed that parents of children at the school do have the permission of the landlady to park on the White Lion car park at drop off and pick up times.

- b) Response from West Lancs. Neighbourhood Task Force Sgt to report of parking problems, Mossy Lea Road – response contained in the supplementary information to the agenda – **The Council will request that Police patrols visit Mossy Lea Road, as footways are being obstructed by parked vehicles and in places pedestrians cannot walk on the pavement. The question of enforcement if double yellow lines are installed was again raised and will be asked of LCC.**
- c) Response from LCC to restoration questions at West Quarry – response contained in the supplementary information to the agenda – **The response was noted. The Clerk will request confirmation from the officer/s that their email addresses can be disclosed if requested.**
- d) Info. from LCC Trading Standards – **Noted. May be useful to the WI, Mossy Lea Pensioners, Methodist Church Appley Bridge, the Coffee Mornings.**
- e) Request for info. from West Lancs. BC on community litter picking volunteers – **Noted. The Council are aware of the lady who does this in Appley Bridge and will ask for permission to pass on her contact details. Additional litter pickers would be useful.**
- f) Info. from West Lancs. BC on the opportunity to host Community Skip Days – **Noted.**
- g) Notification of the Parish Council Insurance renewal – to confirm the insurance is adequate – details emailed to Parish Councillors for consideration and approval - **Resolved - That the insurance remains effective, adequate and fit for purpose.**
- h) Late items received which may require discussion/action/observations – i) An email suggesting that correspondence sent/received by the Council should be available to the public on the Parish Council website – **The Clerk will ask the authors of the emails if email addresses can be disclosed when passing the information on. It was reported that the content remains that of the author of the email, that any discrepancies or responses should be obtained directly from the author.** ii) The 6 defibrillators in the Parish are now registered on The Circuit however, to become active, nominated guardians must accept the invitation to register as a guardian – **Councillors House and Johnson will be notified.** iii) Email from Canal and River Trust informing the Parish Council that they will be removing litter bins from canal banks and towpaths as a cost cutting exercise. This will impact on the litter bin at Bridge 42 Canal Bank – **The Parish Council will ask West Lancs. BC, who currently empty the litter bin, if they will take on responsibility for doing this going forward, before the litter bin is removed.** iv) Parish Council Vacancies following the recent elections will be an Agenda Item for discussion at the June Parish Council Meeting – **The Clerk confirmed that she had been handed an expression of interest for one of the vacancies this evening.**

11. HIGHWAYS AND ENVIRONMENTAL MATTERS

- The Chairman reported that she had asked Councillor Bailey for his assistance with a parking problem on Hall Lane, where visitors and carers visiting a resident are parking on the highway and being ticketed. Councillor Bailey has agreed to meet on site to see what can be done.
- It was reported that the gully sucker has been seen cleaning drains on the motorway roundabout at Junction 27. Some patching of the carriageway has also been undertaken.

- The replacement bench has now been sited on the grass at the Mossy Lea Road/Boundary Lane junction.
- It was reported that Moss Lane is derestricted but that vehicles using this lane, Courage Low Lane and Toogood Lane are driving dangerously. The Police will be asked to monitor this.
- The displaced grit bin on Courage Low Lane has now been relocated on the grass verge.
- The chain-link fence between the boundary of Mossy Lea play area/playing field and the footway on Mossy Lea Road remains damaged. This will be reported again to the Borough Council.
- Weeds and grass are growing in the channels along the whole of Mossy Lea Road. Councillor Johnson reported that it is now 49 weeks since this road was swept despite the fact the Borough Council say it is done on a 12 weekly cycle.

12. REPORTS FROM REPRESENTATIVES ON OUTSIDE BODIES – Nothing specific to report. **The Clerk will ask Councillor Juckes, who attends the Multi-Agency Meetings to discuss the Quarries, and is now the Richard Durning’s Trust Parish Council representative, to report back on both these matters at the June Meeting.**

13. ANNUAL NEWSLETTER – Discussions took place, taking on board all the points raised in Open Forum in relation to the production of a Newsletter. Councillors agreed that we are now transitioning into an electronic age. The Clerk confirmed that all the information contained in the Newsletter can be found on the Parish Council website or a request can be made for a copy to be supplied. It was confirmed that other Parish Councils pay to have colour newsletters produced, printed and distributed. The Parish Council could look at this as a cost cutting exercise. Following discussions, it was **Resolved** – That the Parish Council will not be producing a Newsletter and that the money will be used to enhance the website going forward.

14. VILLAGE HALLS

MOSSY LEA – Notification the caretaker’s wages have increased in line with the National Minimum wage from April 2023 to £10.18 per hour – **Noted.**

APPLEY BRIDGE – Notification the caretaker’s wages have increased in line with the National Minimum wage from April 2023 to £10.18 per hour – **Noted.** **The Clerk reported that the CCTV drain survey to progress the planning application involving the part wall at the rear of the hall will take place on Friday 26th May, between 8.30am and 12pm.**

15. PLANNING To discuss the following applications:

- 1) 2023/0169/FUL Retrospective application for change of use of land from agricultural to residential, demolish garage, erection of replacement garage, new boundary wall, gate pillars and gates and the widening of an access track.
